After Delay, Portion Stockdale-Coal Center Road May Be Utilized

STATE DEPARTMENT ON THE DEFENSIVE

Quick Action On Part of Boroughs of Elco, Roscoe, And Stockdale Puts Highway Improvement Up to the State

THE ROUTE IS SELECTED

Takes the Highway Through the Property of Marsh Hall And Then Follows the Street Railway Property Directly to Elco —Councilmen Agree

The shifting of responsibility seems to be a popular pastime of the Stockdale-Coal Center road. Every few days the delay of construction is shifted from one body to another. Last Saturday the engineers of the highway department put the matter right up to the boroughs of Elco, Roscoe and Stockdale, and now, through quick action on the part of these same bodies, the State Highway department is put on the defensive.

When the engineers made it plain to the up-river folks that the road would not be built on the old location, they immediately got busy and on Wednesday of this week the councilmen of Elco, Roscoe and Stockdale held a meeting on the proposed route. Division Engineer W. D. Myers of Washington was present and had a map of the properties through which the highway could be constructed. After going over the map a route that would take the highway through the property of Marsh Hall and then follow the street railways property directly to Elco, was selected This route will mean that the present waiting room of the Street Railways company at Roscoe will have to be moved and that the railways company will be compelled to straighten its tracks at the Roscoe station After considerable discussion the councilmen of Roscoe and Elco approved this route, but the men from Stockdale were not quite sure as to whether it would be accepted by them The meeting adjourned without any further agreement being reached. However, the council of Stockdale held a special meeting last night and invited James T. Heffran, secretary of the Charleroi Chamber of Commerce, to be present. The meeting was held at 6 o'clock. After many of the difficulties that had confronted the Stockdale men were threshed out, they finally came to an agreement and decided to go along with their sister boroughs and adopt the route laid off This means that the three municipalities have assumed the responsibility of the damages that might arise in the construction of the highway and that the matter is now up to the state to make the survey and go ahead with construction.

While it is possible that something may yet arise to delay the building of this important piece of highway, at present nothing is in sight and if the state department fulfills its promises it may be possible for the up-river folks to use a portion of this road this winter.

PREPARE FOR THE STATE CONVENTION

Philadelphia, July 25—Headquarters of the American Legion here, department of Pennsylvania, is placing the finishing touches on the program for the annual state convention to be held at Greensburg, August 21, 22 and 23. James M. Gregg, chairman convention committee, wants Legionnaires to make their reservations as soon as possible through Spencer M. Free, Greensburg.

NOBODY WANTS BODY OF WILLIE SMITH

The body of Willie Smith, alleged slayer of Constable William A. O. Cratty, which has been held at the Frye undertaking rooms, Monongahela, since he died Monday afternoon, is still unclaimed. In fact, no one went to view the body. Burial will be made at Monongahela.

Governor Tener Would Not Confirm Report

Harrisburg, July 24.—John Kinley Tener, former governor of Pennsylvania, will be a candidate for the gubernatorial office at the expiration [illegible] he declared in a conversation with some friends just before leaving for his home in the western part of the state. There were no "ifs" or "buts" in his declaration. It was a straight forward announcement. "I'm going to be a candidate for governor," said he, and those who know Tener have no reason to doubt his purpose. So that's that.

The above article which was sent out from Harrisburg last night, was shown to Governor Tener this morning. The only reply from the Governor was "it is entirely too soon to talk about the Governorship at present as it is more than two years before the primaries will be held." Further than this Mr. Tener had nothing to say.

The Remains Of Mill Man Is Discovered

The badly decomposed body of a man was found floating in the Monongahela river near Elrama, below Monongahela, yesterday afternoon which is believed to be the body of Charles Reynolds, son of C. J. Reynolds, a roomer at the Sheetz hotel, Monessen, an employe of the Pittsburgh Steel company.

Charles Reynolds, who was subject to epileptic attacks, has been missing since November 3rd was last seen in the vicinity of Elrama. November 10, a man's coat, hat and vest were found on the Elrama shore, and in a notebook found in the pocket of the coat, the name of the man's father was secured. The father was taken to Elrama and identified the clothing as that of his son. No action was taken toward finding the body at that time. It is the general opinion that the body was buried beneath the mud at the bottom of the river on account of the operations of a sand dredge working at that point of the river. Recently, however, the sand dredge has started operating once more and it is believed uncovered the body, allowing it to come to the surface, where it was discovered

Deputy Coroner Yohe was called, and the body was removed to the undertaking rooms of Bebout and Yohe of Monongahela. The father has been notified, and he will go to Monongahela and probably further indentify the body as that of his son.

North Charleroi Folk Wrought Up Over Report

Since the shooting of Constable William A. O. Cratty alleged at the hands of colored men, one of whom has since [illegible] in the shooting fray, the people of North Charleroi have been considerably wrought up over the affair, and their feelings were intensified last night when a report emanated that two children, residing at Bridge 2 had been terrorized by two colored men, one of [illegible] and a knife, and the other a razor and a searchlight.

North Charleroi officers and members of the Charleroi police department searched the hollows and hill and vale to the borough north of us, but no trace of the colored men could be found The children, one a boy of 10, and the girl, who is aged 12 years, were uninjured. They are the children of parents of foreign birth.

CHAUTAUQUA OPENS TUESDAY, JULY 29

Belief Exists That Interest Is Greater Than Ever And That the Attendance This Year Will Exceed That of Last

NUMBERS WORTH MONEY

People Get Full Value of Price of Season Ticket At Any Performance. Lecture, Musical Numbers And the Justly Celebrated "As You Like It"

With the array of talent with which the Swarthmore Chautauqua is vested, the opening of the numbers here next week Tuesday, promises to be well attended. Despite the numerous things which are devolving the attention of our people just at this time, the guarantors of the Chautauqua are optimistic in the belief that ever more interest and larger attendance will feature the various numbers than that of last year.

A Chautauqua with attractions such as the Swarthmore affords, with its musical numbers, both vocal and instrumental, and its lectures, affords the public an opportunity seldom met with in towns of Charleroi's proportions. Any one of the lectures, for example, would cost what the citizen has to pay for a season ticket. The same applies to the musical numbers. George W. Might, at Might's Book store, has season tickets for sale, and if you have not secured yours, now is an opportune time in which so to do.

Aside from the lectures and the musical numbers, both vocal and instrumental, the Mail desires in this connection to make especial mention of the Shakesperian number, Shakespeare's immortal comedy, "As You Like It." This comedy will be produced by the Vivian Players of New York, whose characterizations and visualizations of the characters have brought them nation-wide reputation. Inasmuch as the legitimate has given way in such large measure to the mute drama, motion pictures, a play with a speaking part will prove decidedly refreshing to the people of Charleroi and community. And the fact that a company essays to play any of the Shakesperian productions under canvas, is sufficient attestation that the players are a company of artists. "As You Like It" will be worth the price of a season ticket of itself.

ATTORNEY MOFFITT WEDDED SATURDAY

Announcement has been made of [illegible] son of Mrs. Mary E Moffitt of Lookout avenue, and Margaret S. Piper, daughter of Mr. and Mrs. Alvin Sloan of Stonebore, Mercer county, which took place in the Presbyterian church of Mercer, Pa., with the Rev John Duncan, pastor of the church, officiating, on Saturday July 19, nigh noon. The ceremony was witnessed by a number of friends of the contracting party. The bride wore a tan traveling suit with hat to match.

Other Cities Ahead Of Charleroi With Modern Hospitals

A strong argument in favor of the new hospital here as outlined in the money raising campaign now being organized to finance the construction of a fireproof hospital building, is that other towns throughout this part of Pennsylvania have got or are getting good hospitals.

Chairman Kerfoot W. Daly after the meeting of the campaign committee yesterday made the statement that Charleroi has kept step in its progress in every other line and that he was sure it would keep pace with other cities as far as getting a new hospital goes.

The announcement was also made at the meeting by Chairman Daly that Mrs Michael Rosenbloom and Mrs Louis Collins had been added to the campaign executive committee. The division commanders are rapidly getting their team captains signed up and Chairman Daly and Manager J. B. ussing hope to make announcement of the names in a day or two.

Charleroi is practically the only city of its sizze in the surrounding district of western Pennsylvania, eastern Ohio and West Virginia that does not have a modern hospital it was stated.

Monongahela has the Memorial hospital with 72 beds, built about ten years ago. at a cost of $65,000. A representative of Charleroi-Monessen Hospital visited Monongahela yesterday and went through the hospital in our neighboring city and came back with a glowing tribute to the hospital there. The work has been so efficient and satisfactory that the institution is generously supported by the community and in addition $16,000 is received from the state

Monongahela has a population of 8,600 and stands high among the health authorities.

Brownsville has the Brownsville General Hospital with a bed capacity of 85. This town has a population of 2,500. Charleroi has five times that population and yet has only a frame residence with 22 beds in it for a hospital.

Washington has the Washington Hospital; and has within a month completed a campaign in which $530,000 was raised for another hospital, although they already had a good 100 room hospital. There is a 175 bed hospital at Uniontown, a city of 15,000 people. Mt. Pleasant, a town of 6,000 has a 50 bed hospital which is rated high. At Greensburg the Westmoreland hospital has 100 beds and stands "very good" with the state health authorities. The population in Greensburg is 15,000.

At New Brighton, there is the Beaver Valley Hospital of 78 beds serving a 9000 population in that town. At Braddock, a city of 20,000 population, is the Braddock General Hospital with 125 beds. McKeesport, pop-

OPEN HEARTH IS TO RESUME

Notices have been posted at the Pittsburgh Steel mill, Monessen, announcing the fact that work in the open hearth and blooming mill will be resumed Monday morning, after a month's shut down. During this time the labor of relining the blast furnaces has been under way and a number have been completed. The work of relining the remaining number is fast being pushed to completion, and operation in full in these departments is expected before long.

This announcement comes as good news to all those who have been laid off during this labor slackening

SUPPLY STORE IS ROBBED AT ELLA HOLLOW

Thieves broke into the general supply store of the Hillman Coal and Coke company, at Ella Hollow, a short distance below Webster sometime early this morning, gaining entrance by forcing a window. They escaped with a large quantity of shoes, clothing and other merchandise.

The theft was discovered when the manager opened the store for the day's business. A checkup is being made to ascertain the actual loss.

Truck Which Hit Donora Man Loaded With Near Beer

Chief of County Detectives, W. B Dinsmore went to Donora from Washington on Tuesday to investigate rumors to the effect that the truck of the Zeffiro Transfer company which on Saturday night accidentally struck and seriously injured William Robson, was loaded with high voltage beer at the time

As a matter of fact the truck did contain a load of near beer which was being hauled from a freight car to a Donora club Realizing that the question might be raised Mr. Zeffiro immediately drove his truck into the garage and left it just as it was when the accident occurred. Chemical analysis proved the beverage to be within the Volstead requirements of one-half of one per cent.

Reports from the Memorial hospital yesterday were to the effect that Mr. Robson's condition is good with the exception that his injured leg is very seriously injured and amputation will likely be resorted to. No trace of the whereabouts of Horace Wall, Negro driver of the truck, has been found Wall disappeared immediately following the accident and police are conducting a search for him.

CHURCH SCHOOL ENJOYS OUTING

With a large number of members and friends of St Mark's Episcopal church and church school present the annual outing held yesterday at Oakland park was a huge success. The car, bearing a large number of children and grown-ups, left Fifth street and Fallowfield avenue at 11:10. These picnicers were joined later in the afternoon by others who came to the park in autos. The program of games was enjoyed, as well as the various park amusements. At 5.30 supper was served at a community table After supper, the real fun of the day began with the races in charge of Walter H Fielding superintendent of the church school, and the baseball game.

The winners in the various races were as fololws: 101-yard dash for young boys won by Earl Youngman, with Robert Turnbull coming in second; 100-yard dash for young men, won by Frank N. Wagner; 100-yard dash for men won by Joseph H. Chilton; 100-yard dash for girls won by Miss Mary Fossett, Miss Ella K. Murray, second, and Miss Dorothy Fellows, third.

It was a tired, but happy group that returned home at dusk.

BOY SCOUTS AT CAMP UNDERWOOD

Writing from Camp Underwood under date of Wednesday, July 23, Commissioner Arch Osborne, comments:

"The camp at this writing is in excellent shape, the construction work being completed, and today visitors to the number of 50, have arrived and are being entertained.

"Director Hall and his staff of officers are carrying on the regular work, a full program of detailed scout work being carried on today for the first day—the second day in camp.

"Regular camp life is in full swing, and all boys are in good condition. The hospital tent is practically useless up to this time.

"The camp personnel numbers 145 boys and 20 officers, and work has already become so efficient that before the week is over mostly all the boys will have a number of their first and second-class tests.

"The swimming hole is the best that the camp has ever had, and at this writing about 20 Scouts have passed their first class swmming tests.

"Tuesday night was a big night for all concerned. The scouts gathered for the election of Camp Goat, a position of honor for the scout elected, he being allowed to walk into any tent or meeting, no matter how private; can take anything from your table or person—in fact, is allowed to mix into anything.

"After a night that rivaled the Democratic convention, Harold McKenna was elected. When the names were suggested for balloting, those of Wesley Bosson and Harold McKenna were the nominees. After five ballots and the convention deadlocked. Weslev Bosson, campaign manager for Charleroi candidates asked for an adjournment of three minutes, during which time he wanted to talk to the Charleroi supporters. At the end of adjournment he made an eloquent speech, stating that inasmuch as they could not unanimously elect so fine a candidate as Fernand Ducouer, the Charleroi voters would support Harold Mckenna to a man, and he was elected.

"Tent inspection is very strict, and the condition of the tents are such as to make them the subject of favorable comment. Everything is in its place, and to be awarded the flag for the best arranged tent, the boys must hustle. The camp morale is the best the writer has ever witnessed, and the parents of any of the scouts can feel assured that the boys are all O. K."

DEPUTIES NAMED FOR VACCINATION WORK

Dr. W. D. Martin, of Dunns Station, R. D., county medical director, has been notified by the state secretary of health, Dr. Charles H. Miner, that the following county physicians have been appointed as official deputies to revaccinate free of charge, school children who have undergone two or more successful attempts at vaccination against smallpox.

The appointees are: Dr. J. N. Sprowls, Claysville; Dr. W. L. Scott, Joffre; Dr. J. W. Hunter, Charleroi; Dr. W. C. Martin, California; Dr. C. L. Harsha, Canonsburg; Dr. Edwin M. [illegible] Washington, R. D. 6; Dr. William Keck, Vestaburg.

School children living in the rural districts who have been twice unsuccessfully vaccinated, or those who have been admitted to school last term on an official temporary certificate must be revaccinated by the county medical director, or one of these official deputies, who will grant a temporary certificate which will admit them to school for the current school year. In cities, boroughs or townships of the first class having organized boards of health, this official revaccination must be performed by the board of health physician.

Teachers or school principals are not allowed to admit children to school unless they present, or have already filed a certificate of successful vaccination, or in the case of unsuccessful results the official temporary certificate, which must have been issued after July 1 of the present year on which date temporary certificates issued during the previous school term became void.

The county medical director has [illegible] ers must be careful in demanding proper vaccination certificates. A certificate stating that a child has been vaccinated is not sufficient. The vaccination physician must certify that an examination of the child made not less than eight days after vaccination disclosed a vaccination scar, cicatrix indicating a successful vaccination. If this vaccination [illegible] is not in evidence, the [illegible] not legally certify [illegible] be revaccinated.

Charleroi Elks Are To Stage Boxing Show Here July 31

Young Saylor, Charleroi's latest boxing sensation, will be given the test of his life when he meets Dick Conlon, Altoona's crack lightweight in the main bout of ten rounds of the show to be staged here at the Baseball park, Thursday, July 31.

The show is being staged by the Charleroi Elks club, and from present indications it looks like a banner crowd will attend the affair. This bout means a lot to Saylor, as on his showing in it depends whether he stays up among the leaders or goes back to the preliminaries, while Conlon must do his best every minute as he is matched with Ray Mitchell and a loss just now would be a big set-back.

The Elks club matchmaker is lining up a classy preliminary card as they want to make this opening outdoor show a success.

Duquesne Will Be The Attraction At Game Here Tomorrow

Tomorrow at 3:30 o'clock, the Duquesne Athletics will be the attraction at the Charleroi Baseball park.

While the visitors lost to the C. M. C. yesterday, this fact must not detract from the ability of Duquesne, inasmuch as its record for the season shows that it has won the majority of its games, and that with the strongest clubs in the Greater Pittsburgh district. For that matter, the Swissvale team playing here last Saturday, is said to have beaten Irwin, but judging by the exhibition they put up here, if they did the Irwin players must have fallen down and broken a leg or two or suffered a mental lapse.

Manager Mathers will pitch Beatty and he said yesterday that he will furnish a surprise to the fans in that he will have Charles Davis doing the backstopping work. It will be recalled that Davis was a catcher, before he injured his arm, but the member has recovered sufficiently so that Davis opines he can catch, and he is willing to help "Matty" out in an emergency. The locals have been weak in the backstopping department, and at second base, all season, and for this reason, in part, was the cause of the loss of several contests; however, it must be admitted that as a team, the stick-work of Charleroi has been below the standard set by it in previous years.

PIRATES TAKE RUBBER FROM THE BROOKLYN TEAM; SCORE IS 8 TO 1

Emil Yde gave a beautiful exhibition of southpawing at Forbes Field yesterday when he limited the Brooklynites to four licks and might have won over the whitewash route, had he so desired, but after his mates had heaped up enough runs to satisfy the most fastidious hurler in the business, Wilbert Robinson's fellows were permitted to slip one point over and save themselves from a shutout. The final score was 8 to 1.

Jim Roberts, who was chosen for the opposition, was responsible for most of the Buccaneer slugging. They hammered him off the hill in the second round. Rube Ehrhardt who like his predecessor, delivers the pill with his right flipper, twirled the remainder of the combat and was touched for seven of the 13 swats annexed by the Corsairs.

Every Pirate in the contest, nicked the pellet safely and Hazen Cuyler contributed three wallops. Yde was accorded brilliant support and sensational fielding plays cropped out frequently behind him. Six double plays were added to the records and four of them were executed by the home team. The battle was cheered by about 4,000 fans.

TUNNEY BEATS CARPENTIER BY TECHNICAL KNOCKOUT

With a mad, swirling, curious crowd jamming and milling about the ring at the Polo Grounds, New York, last night, the withered orchid of France, Georges Carpentier, after having rallied 50,000 excited fans to his support by one of the gamest exhibitions seen in any ring, was carried out of the ring in the fifteenth and final round of his bout with Gene Tunney, American champion, loser by a technical knockout.

In a wild finish which surpassed even the ending of the Dempsey-Firpo encounter, the Frenchman staggered to the center of the ring for the fifteenth round, his face writhed in agony and with his hands hanging to his sides. Tunney was set to meet him as he, with his French courage born of the shattered war torn fields of France, attempted to take up the cause, which only for his heroic soldier instinct would have been lost by a knockout in the tenth round, when he went down three times under a furious assault of the American champion.

The referee, who once before had tried to stop the fight when he thought Georges was in distress, again stepped in the center, waved Carpentier to one side, refused to listen to his plea of foul and brought to an end a battle which in more than one way went to prove why the battered and beaten Frenchman can still pack in more thousands of fans than any fighter outside of the American champion.

FINANCE PLANS FOR CAMPAIGN TO BE DISCUSSED

Dark Harbor, Maine, July 25—Plans for financing the campaign of John W. Davis, Democratic nominee for the residential campaign probably will be discussed at a conference at Davis's summer retreat this afternoon.

Thomas L. Chadbourne, prominent New York Democrat, and one of the principal backers of W. G. McAdoo in the latter's effort to obtain the Democratic nomination, will pay a visit to Davis late this afternoon, and it is believed the matter of finances will be discussed.

Chadbourne comes here from Bar Harbor in a private yacht. He telegraphed Davis late yesterday asking for the appointment.

Reports of a most optimistic nature continue to reach the Democratic nominee. Andrew F. Peters, who was mayor of Boston during the police strike there, told Davis that from a survey he has made, and reports he had received, he believes the Democratic nominee will make a profound impression in the New England states. Peters is optimistic over Democratic chances in Massachusetts and thinks the party may carry Rhode Island.

Yesterday was first day since his arrival in Maine that Davis did not get out on the golf links. Conferences detained the nominee until well past mid-afternoon, so he abandoned golf for the day, and the championship match between himself, Frank L. Polk and "Bill" Nye, had to be postponed. It may be played today.

Several contributions for the Democratic campaign fund already have been received. Davis's mail has brought a number of checks, two for $50 and $20 from anonymous donors.

The Emergency Call!

With a shrill shriek from the Klaxon, the brakes of the motor car are jammed home! The big car sways, careens—but it's too late! A heart-rending scream from an eye witness as the unwary pedestrian is crumpled to the street.

A rush to the scene of the accident, while one or two of the most thoughtful try to assist the victim—

"Call the Hospital—QUICK!" The inevitable thought!

'Tis but a matter of minutes, and the all too familiar clang of the ambulance gong is heard.

Reluctantly the crowd makes way.

How gently they lift him to the snowy-white interior of the waiting car to be borne speedily to the hospital, where his injuries may be dressed, his hurts made less painful—where, if possible, his life will be saved.

But what if the hospital is full?

What if the injury is such that demands a different instrument or equipment than the hospital has.

And worst of all, suppose it is your son!— or your daughter!

What is your first thought then? Is it, "How much money did I save?"

The new hospital purposed for this community is a matter of dollars or lives!

We have neglected our hospital. Other cities around us have good hospitals or are getting them. Every other city is ahead of us—ahead of us until we raise the money for our new hospital. Other cities are taking care of their sick and injured the way they should. Will Charleroi do less?

Every day the emergency call is sounded. It may not directly affect your home, or your loved ones, but if it doesn't, you are lucky—just lucky, that's all. Tomorrow it may hit home.

Be prepared! Make up your mind to subscribe to the limit to assure this new hospital. It's—

Dollars or Lives?

ATTEND THE CHAUTAUQUA.

Next week the Swarthmore Chautauqua comes to the borough, and its coming will doubtless be hailed with acclaim by the people of Charleroi and community.

Chautauquas have long since passed the experimental stage. The idea, that through a properly accredited lecture bureau, a chautauqua, under canvas, could be made to appear in the smaller towns and cities, was a happy one, and their successes where [illegible] culmination of the project is all that the promoters hoped for.

It is fortunate that people can attend a chautauqua, such an one as the Swarthmore, which comes here next week. This chautauqua has the best of talent, and the various numbers, seen in Pittsburgh, in individual performances would cost the price of a season ticket.

With lecturers of the best possible talent and reputation; the singers and instrumentalists, the legitimate actors, all stars, coming, Charleroians and the people of this community are to be congratulated that they are to be afforded so much of amusement and profit as will accrue from the chautauqua in Charleroi next week.

Governor Al Smith of New York one day appeared before the assembled convicts at Sing Sing to make a speech. Forgetting his audience, he began in the usual manner: "Fellow citizens—" A murmur of laughter sounded through the room. The Governor became fussed. "Fellow convicts," he changed. Louder laughter. "Oh, you know what I mean," he stammered, "I mean I'm glad to see so many of you here." They led him out into the air.

GET AT THE CAUSE!

Many Charleroi Folks Are Showing How to Avoid Needless Suffering.

There's nothing more annoying than kidney weakness or inability to properly control the kidney secretions. Night and day alike, the sufferer is tormented and what with the burning and scalding, the attendant backache, headache and dizziness, life is indeed a burden. Doan's Pills—a stimulant diuretic to the kidneys—have brought peace and comfort to many Charleroi people. Profit by this Charleroi resident's experience.

Geo. Gunderman, 303 Washington Ave., says: "I had an attack of kidney disorder and my back was lame and sore. When I bent, sharp darting pains ran through my kidneys. After sitting I could hardly get up. My muscles were stiff and sore mornings and my back was lame and weak. Doan's Pills from Piper's Pharmacy cured me completely and I haven't been troubled since."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills — the same that Mr. Gunderman had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

In the empty storeroom of the Warner Supply store, a large table laden with every conceivable delicacy awaited the guests and the dinner, served by Mrs. White assisted by her mother Mrs. S. W. Smith, was enjoyed. The balance of the evening was spent in playing games.

VISIT ANCESTRAL HOME WASHINGTON'S FATHER IN ENGLAND

Northampton, Eng, July 25.—Members of the American Bar Association and distinguished British barristers who are their hosts made a pilgrimage here today to Sulgrave Manon, ancestral home of George Washington's father.

The occasion was one of sentimental appeal and historic interest with many speeches bringing in "hands across the sea" and no politics.

Senator Charles Wakefield presented the original Washington family pew to the old Sulgrave church, from which it was long since removed and owned privately.

BUTLER WILL FIGHT TO STAY

Philadelphia, July 25.—Mayor Kendrick will request President Coolidge to extend the leave of Brig General Smedley D. Butler from the Marine Corps in order to retain the general's services as public safety director for at least a second year. It was generally believed today.

The request is expected to be forwarded to the president within a week. Mr Coolidge, it is reported here, will extend Butler's furlough.

Butler, in a talk to the police lieutenants last night, said he was "here to stay for four years unless I am fired and I won't be kicked out without a red hot battle."

The director ordered his men to get out and start a seven-day drive on every kind of vice and crime.

Mayor Kendrick and Butler will meet today for the first time in more than two weeks. Kendrick accepted an invitation by his director to attend the baseball game between the Philadelphia and Camden, N. J, police teams.

Butler will catch the first inning for his bluecoat nine and Assistant Director of Public Safety Elliott will be on the mound for one inning The safety crews will then watch the game from the Mayor's box.

THREE LEADING CANDIDATES ARE OWN MANAGERS

Washington, July 25.—For the first time in political history, all three leading candidates for President — Coolidge, Davis, and La Follette — are the real managers of their own campaigns.

Despite their nominal managers and the elaborate organizations behind them, none of the candidates has placed his political fortunes in the hands of a single man or set of men, such as presidential candidates have done in the past.

As a result of this unusual situation party leaders agreed today that credit for victory will be largely due the winning candidate himself, if his success comes from campaign strategy. By the same token, the losers must take the chief blame if their campaigns collapse, under some tactical blunder on a major policy.

That all three candidates have assumed direct charge of their own campaigns was said to be no reflection on the wisdom or abilities of their managers. Leaders ascribe the role of candidate managers partly to the character of the candidates and partly to the political situation in which each finds himself.

President Coolidge, with an unbroken string of political victories, is given credit by his friends with being a master politician and his decision to take charge of his campaign is in keeping with his past methods.

After the Democratic convention, John W. Davis found his party badly split. He was confronted with the problem of selecting a campaign manager acceptable to all factions. After a week of conferences with party leaders of all elements, Davis solved it by the selection of his friend and admirer, Clem C. Shaver of West Virginia. But it is pointed out, Davis is no novice in national politics and he has reserved to himself the decision on all major policies.

That Senator La Follette is directing his own campaign occasions no surprise in Washington. His long fight with the "bosses" beginning at the outset of his political career in Wisconsin, has gained for the independent candidate the reputation of being one of the most astute politicians in the country. His selection of Representative John M. Nelson his chief lieutenant in scores of political battles as his manager to direct the details of the campaign, was regarded as natural.

OTHER CITIES AHEAD WITH HOSPITALS

(Continued from First Page)

ulation 45,000 has a 160 bed hospital.

Titusville, Pa., recently raised money for a new hospital. Butler, Pa., recently raised $250,000 for a new hospital. The city of Pittsburgh already well populated with good hospitals, last month completed a campaign in which $1,500,000 was raised for a new fireproof hospital that will be used for children alone.

Here are some more towns that have recently raised money and built new hospitals. Chester, Pa., $300,000; Yonkers, N. Y., $122,000; Edgewood, N. J., $131,000; Syracuse, N. Y., $161,000; Erie, Pa., $162,000; Nashville, Tenn., $155,000; Wheeling, W. Va., $262,000; Plainfield, N. J., $132,000, Milwaukee, Wis., $503,000.

It was pointed out yesterday at the meeting of the executive committee that there is no end to the number of towns throughout this district of the United States that had secured money for new hospitals. It is the sentiment of the campaign committee that the progress of Charleroi in comparison with other cities depends upon it getting a new hospital in the present undertaking.

John H. Harman, architect for the hospital building, was in the city yesterday and attended the meeting of the building fund committee at the Elks Club. Mr. Harman is very much interested in seeing Charleroi get the new hospital and to emphasize his interest made a substantial subscription to the building fund.

SEVERE FIGHTING OUTSIDE OF CITY OF SAO PAULO

Buenos Aires, July 25.—Bombardment of Sao Paulo was resumed by Brazilian federal forces late yesterday with great damage to the city, according to radio messages here today.

There was severe fighting at the rebel outposts outside Sao Paulo city during the night.

Federal cavalry carried out a number of raids penetrating Sao Paulo at scattered points but were forced to retire.

The luxurious Hotel Esplanade, one of the finest hotels in South America, has been damaged by the federal bombardment. It was being used as a hospital by the revolutionists.

Other buildings damaged, according to a radio received by the Buenos Aires afternoon newspaper, La Razon, include the branch of the National City Bank of New York, the British Bank of South America, the London and Brazilian Bank, London and River Platte Bank, and other Brazilian and French owned banks along the Rua Quinze de Novembro, one of the principal business streets of Sao Paulo city.

"The rebels sent out another request for an armistice so that the remainder of the civilian population could be evacuated," the dispatch to La Razon says, "but it was refused."

The newspaper estimates that more than 200,000 civilians still are in the city and in grave danger from the bombardment, despite efforts by both sides to protect them.

A majority of the American colony has left Sao Paulo city.
